TUK TUK THAI

RESTAURANT

Thai food is fragrant, sweet, sour, spicy and everything in between. Traditionally Thai food is not eaten with chop sticks but with a spoon and fork, they like it hot "ped-ped" style, but you can choose your style!

Forget individual starters and mains...

Order a spread of dishes for the whole table to share & enjoy.

A balanced meal would put crunchy next to smooth, light next to rich, mild next to spicy. Don't worry we will navigate you through the Thai tendencies so that you feel like you've just stopped over in the land of smiles.

Spice up your journey. Kick it? Yes you can!

Vegetarian 🌱 | Mild 🌿 | Spicy 🌶️ | Hot 🌶️🌶️

⚠️ ALLERGENS: It is important to inform your server of any allergies or intolerances you have before ordering. Our kitchens have procedures in place to address the risks of cross-contamination, but we cannot guarantee the total absence of allergens due to the fast-paced environment.
