TUK TUK THAI

RESTAURANT

Thai food is fragrant, sweet, sour, spicy and everything in between. Traditionally Thai food is not eaten with chop sticks but with a spoon and fork, they like it hot “ped-ped” style, but you can choose your style!

Forget individual starters and mains...

Order a spread of dishes for the whole table to share & enjoy.

A balanced meal would put crunchy next to smooth, light next to rich, mild next to spicy. Don't worry we will navigate you through the Thai tendencies so that you feel like you've just stopped over in the land of smiles.

Vegetarian 🌱 | Mild 🌿 | Spicy 🌶️ | Hot 🌶️🌶️
Ask your server about vegan options.

Spike up your journey. Kick it? Yes you can!

⚠️ ALLERGENS NOTICE. Please let your server know of any allergies or intolerances you have before you order. Allergen information by dish is contained in our allergen menu which is available upon request. Our kitchens operate with standards and procedures to address the risks of cross contamination; however, they are very fast environments so we cannot guarantee the total absence of allergens when preparing dishes. If you need any more information please ask one of our team members.
